

UNITED STATES GOVERNMENT

Memorandum

TO : C/ASD

DATE: 5 August 1965

FROM : DD/S&D

SUBJECT:

25X1A

25X1A

[] I don't really understand why [] doesn't go out for fixed price procurement on the System 9 and System 12. I would think that adequate specifications and even sets of drawings would be more than adequate in order to do this. [] and numerous other companies might do as well or perhaps even better than []. Is [] in a great hurry or why is he going the sole-source rout here? Just idle curiosity on my part.
